

TeamBTS
IT and Web Services

You know how to run your business, but do you know what your business is running on?

If you're not sure or would like a second opinion on your hardware, software and network call us at 303-678-2927 for a free, no obligation onsite technology assessment.
Need a server system?

Ask about our 3-year-lease with 3-year-warranty program.
It's yours at the end of the lease with \$1.00 buyout or roll it over into a new system.

XP Pro Operating System

You can't buy it in retail stores, but we can still get it for you. Let's talk...Want to upgrade to Microsoft Office 2007?

We can provide it and train you on it.

Web, Hosting & Email

If you have questions, we probably have the answers.

Challenge us.

Call Barb or Greg Goettsch at 303-678-2927
